## Life Group Questions for the Week of September 15, 2019

1. Looking back at your notes from this Sunday's message, was there anything that particularly caught your attention, challenged or confused you?
2. What examples of ridiculous commitment to God have you witnessed in your life?
3. We saw how God acted on behalf of his people when they took a step of faith in Joshua 3:13-17 (Read it). How do you think you would have felt and responded if you were one of those who were commanded to take the first step in the Jordan before the water was divided?
4. On Sunday, we saw how Israel, in crossing the miraculously-dried Jordan river, experienced something they had never experienced before. God says in *Isaiah 43:19*, "See, I am doing a new thing! Now it springs up; do you not perceive it?..." Is there some "new thing" you believe God has been doing that he's been wanting you to see and participate in?
5. Someone once said, "Those God uses the most are the ones who hold on to the least." Have you experienced this in your own life? If so, how?
6. How would you describe your level of trust in God? What might be keeping you from fully trusting in Him?
7. What security do you need to step away from that will allow you to see/experience it?
8. What's one step of obedience you can take this week to respond to what God is asking you to do?
